GENIAL "DICK" WALL

Former Confederate Soldier and Popular Maysville Citizen Died at Iron-ton, Ohio.—Burial Today at Cynthiana.

Mr. Richard Meniffee Wall, familiarly known as "Dick" Wall, a well-known former resident of this city, died Monday morning at his home in Iron-ton, Ohio, and will be buried this afternoon at Cynthiana, Ky., his old home and birthplace, in Battle Grove Cemetery.

He was a half-brother of the late Dr. John T. Wall of Flemingsburg and a first cousin of the late Dr. A. F. Wall of this city. He was also an uncle of Mrs. W. H. Means of this city.

His wife, formerly Miss Jessie Wood of this city, survives him.

He was a former well-known Confederate soldier.

He was aged about 73 years, and was noted for his geniality and comradeship. There are many of our older residents who remember Dick Wall and will drop a silent tear to his memory as they recall the happy old times of the long ago.

May the Blue Grass sod he loved so well rest lightly over him.

2,145 VOTERS SIGN

County and Maysville Dry-Election May Take Place on September 28.

Maysville, the home of fine liquors and where Bourbon is brewed with the head of age and eternal happiness and good cheer is to be invaded by the local option element who will attempt on September 28th next to wipe the sale of intoxicating beverages from the entire county. In the Mason County Court yesterday petitions signed by 2,145 voters out of a total of 5,200 were filed asking for a local option vote in the county and if the dries who Maysville's 14 saloons, licensed at \$1,000 each, will close their doors.

On May 8th, 1907 Maysville voted wet by 348 majority. Now the county decides and the dries seem to have it.

Monday in the County Court the "dry" petitions were filed upon the application of L. M. Lane, Walter Worthington, Thomas F. Gaither, and W. W. Hall, legal voters in Mason County. A written petition or petitions, signed by a number of legal voters (2,145) in Mason County, Ky., was produced in court and the applicants stated under oath that the said petition or petitions is equal to 25 per cent of the voters in the county, and equal to 50 per cent, and more of the votes cast therein at the last general election, November 4th, 1913.

Said petitions were continued until the next regular term of this court for further orders.

John Deere's Self-Dump Sulky Rake

The First Consideration Has Been Simplicity and Durability!

DURABLE

Axle studs are 1 1/4 inches in diameter, and are reversible and interchangeable, which doubles their life.

Dump rods are of high carbon steel, 3/4 of an inch in diameter. They have four times the durability of the ordinary dump rod, as they are reversible individually, interchangeable and again reversible.

SIMPLICITY

We can rightfully boast that our rake has fewer parts than any rake on the market. Simplicity of construction and proper material, systematically and symmetrically distributed, mean much to users

D. HECHINGER & CO.

Maysville's Best Clothing and Shoe Store.

As an evidence that our "ADS" are believed by the reading public, we sold the past week more suits than any week since May. We don't say this boastfully for the prices we are realizing in many instances barely cover cost, however we deem it better "to turn Merchandise into cash" than to carry the stock over into next season. Please remember the Price Reducing Sale closes next Saturday night. A good many of the suits in this sale are sufficiently heavy for fall wear and precisely the same style as will be worn next season.

The river is fast receding—Maysville's beach is again the Mecca for water lovers. A full complement of Bathing Suits found here.
